

Best out of Waste

How well can the waste be utilized? Use the waste and construct the best out-of-the waste. Pull up your socks and show how innovation can lead to usefulness.

ROUND 1: (POSTER-MAKING)

In this round participant's creativity will be checked out. The participants will have to make a poster depicting various aspects of environment along with well-written slogans.

RULES:

1. Sheets for making posters will be provided.
2. Several topics for making the poster will be provided on the spot and the participants have to choose one of the topics among them.
3. The participants will have to bring all other material that they will be needing for making the poster.
4. The slogans should be self-composed. If the slogans are found to be copied the following team shall be disqualified.
5. Posters have to be completed within a given amount of time.
6. The team which will take less time than the given time to complete the task will be given an overhead for the next round. (eliminate this point)

ROUND 2: (MODEL-MAKING)

In this round participant's innovation and speed of action will be checked. The participants will have to make a model (static/working) from the given waste(technical/non-technical).

RULES:

1. The model should be made corresponding to the topic of the poster.
2. The model should be completed within a given amount of time. The waste to be used will be provided there itself. You can get some basic things that you might require to make the model.

TEAM MEMBERS ALLOWED: 1-2

PRAYAN-THE BEGINNING

Hunger, Disease, Drugs, Climate Change and much more we hear everyday so much that it has turned from a pressing problem which needs to be addressed to something which we don't even give a second thought. But no matter how much we ignore it, If we do not take action now then our coming generation will never be able to live as we do now. The world we live in is plagued with various problems and we can take the initiation to contribute in bringing difference. Change begins with us and we bring Prayan before you to start the beginning of change.

DISCOURSE: Express to make a difference

*Handle them carefully, for words have more power than atom bombs...!!!
Speech is the mirror of the soul; as a man speaks, so he is...!!!*

A SPEAKER has the ability to speak in front of the crowd without any fear. While A GOOD SPEAKER has the ability to change the perception of a person in any way he wants. And a person can become a VERY GOOD SPEAKER only when he speaks about GOOD things... i.e. about the life of people, on how to solve the social issues and how to improve the NATION in a better way. Do you feel that you can become a GOOD SPEAKER? Well, then you are at a right place. LPU presents you a platform for showcasing and proving your SPEAKING TALENT. The more well you speak on SOCIAL ISSUES, The more you will be prized.
